

FRIENDS OF LIVONIA ARTS (FOLA) MEMBERSHIP

Friends of Livonia Arts (FOLA) is a one stop shop to make art and culture accessible to all and to encourage our neighbors to experience what we have to offer together.

Art is for everyone, no matter your lifestyle! All of our organizations are for the Livonia Community, in the community and have previously been operating in silos. FOLA'S mission is to bring these arts groups together to collaborate and support each other, while improving their visibility to the citizens of Livonia.

If **FOLA** can assist your organization with any of these needs, join us for a monthly meeting to learn more. Members enjoy benefits such as increased exposure, collaboration opportunities, discounted goods and services, educational programming, improving your network, grant writing and fundraising assistance, and much more! If interested in becoming a member of the **Friends of Livonia Arts**, please see below.
