Arts In Action: A Networking Night

The Livonia Arts Commission and FOLA invite artists, organizations, and community members to its first of several Networking Nights — an evening designed to foster collaboration and strengthen Livonia's arts network. Connect, share, and explore ways to move the arts forward together.

Whether you're an artist, educator, performer, or supporter of the arts, this night is designed to inspire fresh ideas and meaningful partnerships. The evening runs from 6 - 8 pm with refreshments throughout. At approximately 7 pm, we'll invite guests to join a short, interactive networking moment.
